PASS THROUGH KEY: FCM = Forward Capacity Market, LFR = Locational Forward Reserve, RMR = Reliability Must Run, ANC = Ancillary Charges, LOS = Losses

REGULATORY PASS THROUGH KEY: RPS = Renewable, FSC = Fuel Security Cost, CES = Clean Energy Standard, CPS = Clean Peak Standard

“All Inclusive” means the price includes all components of what constitutes electricity.

“Pass Through” means the price includes all components of what constitutes electricity, except those components listed as pass through.

“Fixed” prices may be subject to adjustments per the terms of the supplier contract, including for such things as material changes, usage outside bandwidth limitations or change in law.

ALL PRICING IS SUBJECT TO SUPPLIER CONTRACT TERMS AND CONDITIONS.

SUPPLIER NOTES

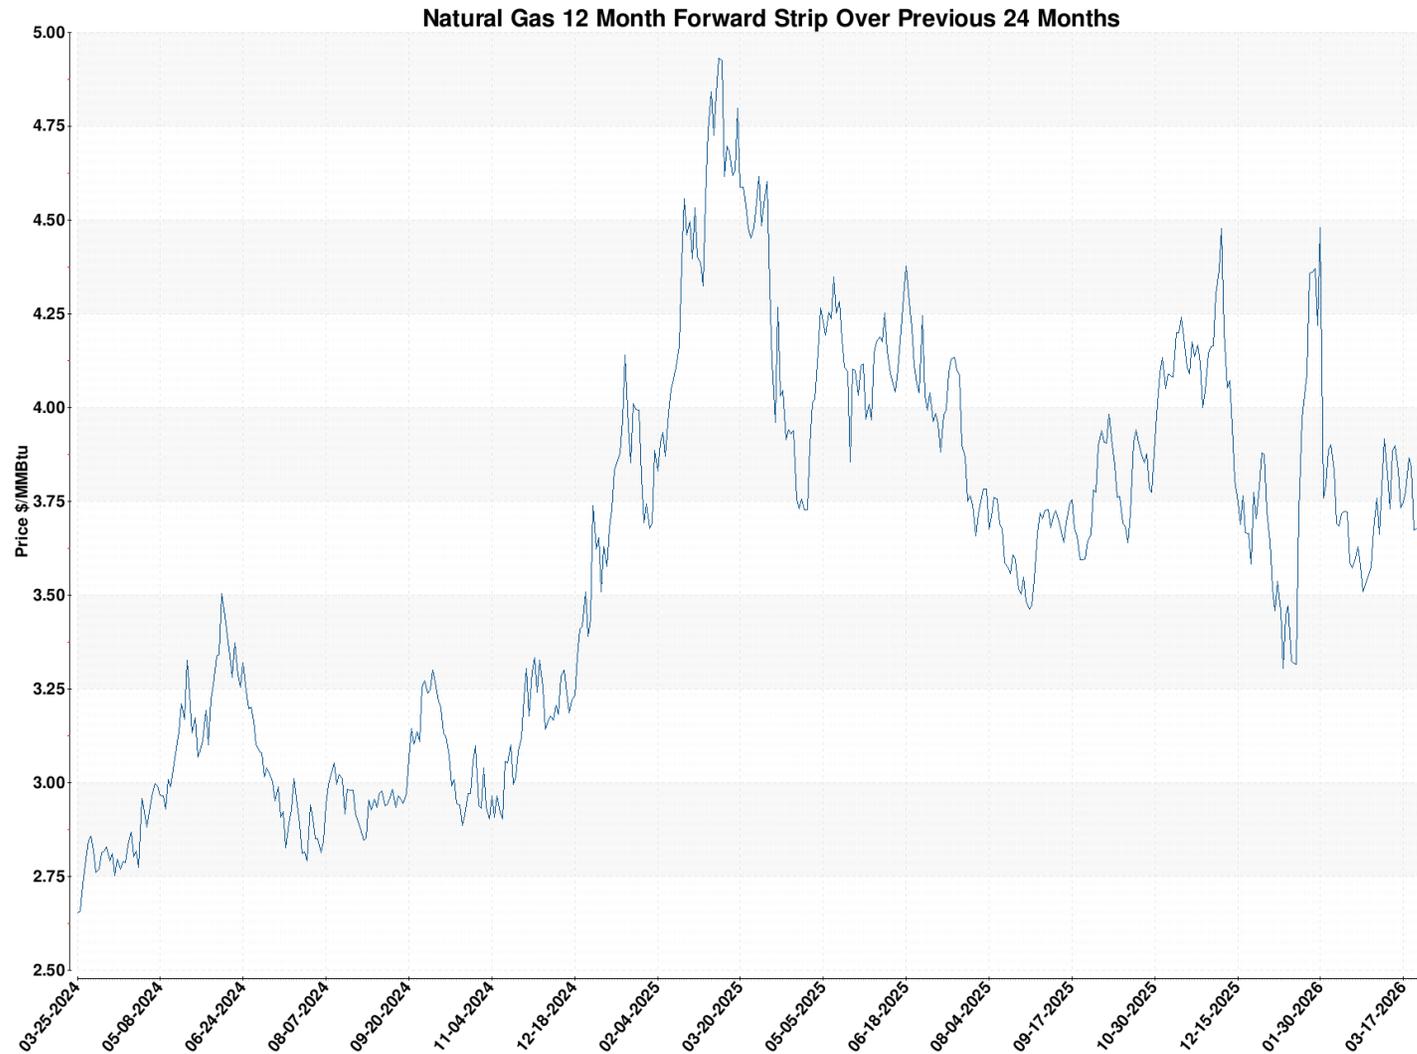

Supplier	Note
Direct Energy	DASI is included but may be subject to change in law. Direct has added a premium to cover DASI in their fixed product. FCM component is fixed through May 2028 and subject to adjustment starting June 2028.
First Point Power	Unlimited bandwidth. Block and index line losses are excluded. FCM component is fixed through May 2028 and subject to adjustment starting June 2028. DASI is included & fixed.
Shell Energy	Fixed- single bill. 100% swing. DASI can be included or adjustable. The included product may be subject to change in law. Shell has added a premium to cover DASI in their fixed product. FCM component is fixed through May 2028 and subject to adjustment starting June 2028. 3 accounts inactive since May; 030012162266, 030012162274, 030012162290 - left off of analysis.
ENGIE Resources	Fixed - cap adjusted. Full swing. DASI is not included, and if signing UCB, contract rate will be adjusted quarterly. FCM component is not fixed, and will be adjusted annually.
BP Energy	Capacity costs are subject to adjust after June 1, 2028. 5% Add/Delete. Billing – UCB/Dual – Net 30 Day Payment Terms L.D. 1494 ME Tier 1A & Thermal REC Obligation costs are fixed. DASI is included but may be subject to change in law. BP has added a premium to cover DASI in their fixed product. BP also has an option to pass-thru DASI, which would also pass-thru ancillary charges. FCM component is fixed through May 2028 and subject to adjustment starting June 2028.
NextEra Energy	Standard product – No BCA pricing provided. Capacity is bilaterally adjustable for terms 36 2. All Accounts included in pricing. Utility consolidated billing. 100% swing, no bandwidth, but we do have MAC language. MAC language - a shift in volume of 25% or more for 3 or more consecutive months. 6. Credit is Approved. We are using the 2025/2026 CAP tags. DASI is included but may be subject to change in law. NextEra has added a premium to cover DASI. FCM component is fixed through May 2028 and subject to adjustment starting June 2028.

Supplier	Note
Smartest Energy	<p>DASI can be included and fixed for initial 36m post *signature date or adjustable. The included product may be subject to change in law.</p> <p>Smartest has added a premium to cover DASI in their fixed product.</p> <p>FCM component is fixed through May 2028 and subject to adjustment starting June 2028.</p>

NATURAL GAS FUTURES

Contract Month	Price \$/MMBtu
11-2026	3.767

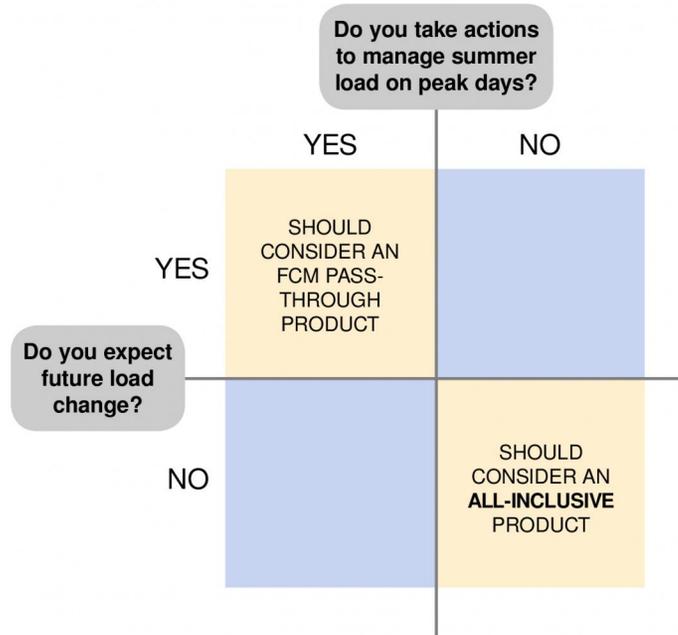

Natural gas futures are useful to monitor for both natural gas and electricity consumers because they drive electricity pricing in many U.S. markets including New England, Texas and, to a lesser extent, New York and the Mid-Atlantic.

FCM CONSIDERATIONS

FCM refers to the **Forward Capacity Market** and the charge(s) for generation capacity levied by the ISO on all suppliers serving load. This charge is then passed along to their customers.

WHICH PRODUCT IS RIGHT FOR ME?

CES RECOMMENDS

1. If you are concerned about meeting specific budget targets and do not like variance, then you should choose the **All-Inclusive** product.
2. If budget certainty is less important, then you should consider the chart to the left.
3. If you answered YES/YES to both questions, then you should consider the **FCM Pass-Through** product.
4. If you answered NO/NO to both questions, then an **All-Inclusive** product is a better option.
5. If you answered YES/NO, or have questions about FCM, call your CES representative at **866.408.4591**.
