RE: Hillview RFQ Question Response

Below are a list of the questions received during the question period for the Hillview RFQ, along with their responses.

1) *Does the line “Initial conceptual proposals for Option 1 and Option 2 listed above (Redevelopment of existing site, and new construction on a new site)” refer to Conceptual Fee Proposals (dollars), or Conceptual Design Proposals (i.e. concept drawings).*

1a) We are looking for basic conceptual design proposals. While we would be interested in seeing a Conceptual Fee Proposal, the fee will not be considered for scoring as part of this RFQ Process.
